Population diversity

- 19.4% of the population are aged 65+ versus 17% in England
- 23% of the population are aged 0-19 years
- 4% of the population are from Black, Asian, and minority ethnic (BAME) groups compared with 13% nationally. In Gedling, Broxtowe and Rushcliffe this rises to 7%

Life expectancy

- Life expectancy is 79.4 years for men and 82.8 years for women versus the England average of 79.5 years for men and 83.1 years for women
- Life expectancy is 8.8 years lower for men and 8.0 years lower for women in the most deprived areas of Nottinghamshire versus the least deprived areas

Adult health

- The rates of hospital stays for alcohol-related harm, recorded diabetes and adult excess weight are significantly worse than the England average

Deprivation

- Less than 10% of residents live in the 20% worst neighbourhoods in England
- The most deprived areas are Mansfield, Ashfield and Bassetlaw and the least deprived area is Rushcliffe
- People living within the more deprived areas have higher levels of unemployment, less qualifications and unhealthy lifestyle choices with poorer health and wellbeing outcomes

Carers

- The majority of carers who provide 50 or more hours of care per week are aged 65+, often caring for a partner
- Only 32.1% of carers reported they have as much social contact as they would like compared to 43.1% nationally

Child health

- 16.7% of year 6 children (age 10/11) are classified as obese versus England average of 19.8%
- About 18% (24,000) of children live in low income families - less than the average for England of 20.1%

Long term conditions

- 10% adults aged 18-64 live with moderate / severe physical disabilities

Education

- 61% of pupils achieve 5 A*-C GCSEs including English and maths versus 57.8% across England

Nottinghamshire

- Of the population 23% are aged 0-19 years
- 19.4% of the population are aged 65+ versus 17% in England
- 4% of the population are from Black, Asian, and minority ethnic (BAME) groups compared with 13% nationally. In Gedling, Broxtowe and Rushcliffe this rises to 7%
