positive
about integrated healthcare

This leaflet explains how you can leave a compliment, make a suggestion or raise concerns or complaints about Nottinghamshire Healthcare NHS Foundation Trust's healthcare service at HMP Ranby. More information is available on the Trust's website:

www.nottinghamshirehealthcare.nhs.uk

Compliments and comments

It is always good to know when we are getting things right. We would also like to know if you think we could be providing a better service. Please leave feedback on the 'How Can We Help You?' forms available throughout the prison.

Concerns

If the service you are receiving is failing your expectations, please complete a 'How Can We Help You?' form. Your concerns will be addressed as soon as possible.

Complaints

If you feel that your concerns have not been answered, you can make a complaint. Complaints are investigated promptly and thoroughly, as set out in the Trust's complaints procedure. We view the process positively as a chance to listen and to learn from feedback in order to improve service delivery. Raising concerns or making a complaint will not affect the care and treatment you receive or the services you are offered. We treat all complaints seriously and in complete confidence.

Send your complaint to the Trust's Service Liaison Department, Forensic Services Division, Rampton Hospital, Woodbeck, Retford, Nottinghamshire, DN22 0PD (telephone and email contact details at the end of the leaflet).

Support

If you would like help making a complaint, you should contact the independent advocacy organisations listed on the back page of this leaflet.

Once received, your complaint will be acknowledged in writing within three working days.

The issues you have raised will be examined and you will receive a written response (in addition to a meeting with the investigator where possible) by the date given in the acknowledgement letter. Please be aware that in order to address your complaint it will usually be necessary to access your medical records.

We aim to respond to all complaints as soon as possible, and certainly within 25 working days. In the event that, for unforeseen reasons, a response cannot be provided within this timeframe, you will be given a new date by which the response will be sent.

Time limits

We recommend that you make your complaint as soon as possible after the event. The Trust will investigate complaints made within 12 months of the patient or their family realising that there is something to complain about. This time limit may be waived in exceptional circumstances.

If you are dissatisfied with the outcome of your complaint, please let us know

We always try to resolve complaints satisfactorily and we will review your complaint and our response. Should you remain dissatisfied with the way your complaint has been addressed, you can request an independent review by the Parliamentary and Health Service Ombudsman. The Ombudsman is independent of government and the NHS, and the service is confidential and free. The address is:
